PROJECT: ComicCraft - AI Powered Comic Generator

DOCUMENT: Communication

Team Communication Plan:

1. Internal Communication:

- WhatsApp Group: Daily updates, task sharing

- Google Meet: Weekly meeting every Saturday 7 PM

- GitHub: Code collaboration, commit messages, pull requests

2. Communication with Mentor:

- Shared progress in SmartBridge portal

- Demo after Sprint 3 completion

- Clarified API doubts via email

3. Tools Used:

- WhatsApp, GitHub, Google Drive, VS Code Live Share

4. Challenges Communicated:

- HuggingFace API rate limit - discussed and fixed by adding retry logic in image_generator.py

- Gemini JSON parsing issue - fixed with prompt engineering

Team: Sandhiya P and Team
