PROJECT: ComicCraft

DOCUMENT: Project Demo Planning - 5 Minutes Demo

Agenda:

0:00 - 0:30 - Introduction: Problem - Manual comic creation takes 4-6 hours, needs drawing skill

0:30 - 1:00 - Solution Overview: ComicCraft - Flask + Gemini + HuggingFace + ReportLab

1:00 - 1:30 - Architecture: User -> Flask (routes.py) -> comic_service -> Gemini + HuggingFace -> layout_builder + pdf_exporter -> PDF

1:30 - 3:30 - LIVE DEMO: Enter prompt -> Click Generate -> Show generation -> Show final PDF download

3:30 - 4:00 - Code Walkthrough: Show gemini.py, image_generator.py, pdf_exporter.py

4:00 - 4:30 - Performance Testing: 90 sec average, 100% pass rate

4:30 - 5:00 - Future Scope: Voice, multi-language, webtoon publish + Q&A

Requirements for Demo: Laptop, Python, .env keys, Internet, run.bat

Backup Plan: Pre-recorded video if API fails
